[REDACTED]

As I am about to depart on a somewhat extended trip combining both leave and business, it occurs to me that before I get back in late September you may want to recapture the frame that you so kindly lent us for Admiral Hillenkoetter's portrait.

STATINTL

If you will call my secretary, Mrs. [REDACTED] Extension 785, she will be glad to arrange for the return of the frame as you may direct.

I hope you are having a pleasant Summer amid the cool breezes of New Hampshire.

With best personal regards, I am,

Sincerely,

(signed) H. Gates Lloyd
